## TO A VERY SPECIAL SLOPE

You're such a radiant gradient  
 A smooth one, not a hilly one  
 Your red-rimmed sign says you're one in nine  
 But to me you're one in a million

**Matt Harvey's** poems and stories can be enjoyed by people of all ages, backgrounds and body-types. He writes tenderly of love lost and mislaid, touches gently on haemorrhoids, and deals admirably briefly with the meaning of time. His poems ask questions – *If love can build a bridge, can affection put up a shelf?* **The Hole in The Sum of My Parts** celebrates the trials and triumphs of hope over experience. Playful, perceptive, affectionate and above all, funny.

*A word-based  
 organism from Devon.*  
**The Times**

*Very funny.*  
**The Independent**

**The Hole in The Sum of My Parts** is Matt Harvey's first book. Since co-writing and co-starring in two series of *One Night Stanza*, he has become a Radio Four regular. Often described as a stand-up poet, he is in demand for his live performances all over the UK. Matt has lived in Totnes for twenty years. He is married with one wife. They have two sons.

# ADDITIONAL INFORMATION

**Matt Harvey's** poems have appeared in *The Guardian*, *The Independent* and *The Mail On Sunday*. He has been described (accidentally) by *The Guardian* as 'one of Britain's leading poets' and (deliberately) by *The Independent* as 'a pale man in a suit'. They also said he is 'very funny'.

*Picked the book up because I liked the pictures, bought it because I loved the poems. Read them, read them to my friends, read them to my enemies, read them to the Big Issue seller on the high street, would read them to you if I could...*

## Amazon Reader Review

*One of the most humorous and talented contemporary writers and poets that I've read. And I've read quite a few. I've shown the book to everyone (including my English Lit Poetry teacher and my parents) and they all loved it and laughed a lot.*

## Reader feedback

*The launch included a performance by Totnes-based performance poet Matt Harvey, who captivated the audience. Matt's original blend of incisive wit was both entertaining and thought provoking.*

## Devon Artsculture launch

*On Saturday night, courtesy of two of the country's finest performance poets, there was also laughter. Matt Harvey and John Hegley took us all the way from blancmange to bereavement.*

## The Scotsman, StAnza Poetry Festival 2007

*Matt Harvey has emerged as one of the country's cleverest, warmest and funniest poets, reaching nationwide audiences with his Radio 4 broadcasts.*
